

Financial Services Guide (FSG)

Below is our Financial Services Guide, prepared on 2 November 2024 and attached is a copy of our Privacy Policy.

What is a Financial Services Guide?

This Financial Services Guide ('FSG') helps you understand and decide if you wish to use the financial services we are able to offer you.

It provides you with information about the entities that may provide you with financial services:

- the licensee's Corporate Authorised Representative Soundbridge Pty Ltd, trading as Soundbridge Financial Services,
- individual Authorised Representatives or Provisional Adviser of the Licensee.

We collectively refer to Authorised Representative(s) or Provisional Adviser(s) in this FSG as "us, our, we". We are the providing entity and are the authorised representative(s) and Provisional Adviser of the Licensee. The authorised representative number of Soundbridge Pty Ltd is 436726.

This FSG sets out the services we provide. It tells you:

- who we are and how we can be contacted;
- who the licensee is and how it can be contacted;
- what services and products we are authorised to provide to you;
- how we (and any other relevant parties) are paid; and
- how we deal with complaints.

Not Independent

We are not able to describe ourselves as being independent, impartial, or unbiased as defined in Section 923A of the Corporations Act because:

- We don't charge you a fee for advice on risk insurance advice, because if you implement our recommendations, we receive commission payments directly from the insurer.

We may provide you with personal advice that takes into account your needs, financial situation and circumstances. Where we provide you with personal advice, we will provide you with a Statement of Advice ('SOA'). The SOA outlines our advice and the basis on which the advice was given. It also outlines relevant information about us, our fees and charges associated with our advice. We are only able to provide personal advice about certain products as stipulated under the Licensee's Australian Financial Services Licence ('AFSL').

If we provide further personal advice after providing our initial advice, we may record this in a Record of Advice, instead of an SOA. You may request a record of the further advice that is provided to you, if you haven't already been provided with it. You can also contact us, using the details on page 2 of this FSG, within 7 years from when the advice is provided to request this record.

Occasionally we provide general advice. This is where we may express an opinion or recommendation influencing you in making a decision in relation to a financial product, but where we HAVE NOT considered your personal objectives, financial situation or needs. If we provide you with general advice, we will provide you with a warning that the advice may not be appropriate to your needs, financial situation or objectives. Additionally, we will provide you with an applicable Product Disclosure Statement ('PDS') (if one is available) which you should read before making a decision that the product is right for you.

When a financial product is recommended to you, you will be provided with a PDS issued by the product provider. The PDS contains information about the product to assist you in making an informed decision about the financial product. It will outline relevant terms, significant risks, and fees and charges associated with the product.

Please retain this FSG for your reference and any future dealings with us. We may also add documents at a later date which will also form part of this FSG, and these should be read together with the FSG. These documents will include the word 'FSG' in the heading.

Service fees

We will discuss and agree our fee structure with you before we provide you with services. From time to time we may provide general advice of a fee for services. These fees may be based on a hour rate which ranges from \$100 per hour to \$500 per hour, depending on who provides services to you.

The types of fees you can be charged are listed below. You may be charged a combination, or part of, any of these fees.

Fees for advice

We may charge fees for the preparation, presentation, and implementation of our advice. These fees will be based on your individual circumstances, the complexity involved in your situation, and the time it takes to prepare personal financial advice for you. We will discuss these fees with you and gain your agreement to the fees before we provide you with advice. These fees may range from \$500 to \$10,500.

Ongoing advice fees

We may charge a fee to provide ongoing portfolio reviews and/or for the provision of ongoing services. This fee will be agreed with you and is either a set amount or an amount based on the amount of funds under our advice, and/or the time involved in reviewing your portfolio and circumstances. These fees may be charged as a flat dollar amount ranging between \$700 and \$22,000 per annum. Alternatively, we may charge an amount as a percentage of funds under our advice ranging between 0.8% and 2.20%, or as a sliding scale.

We may charge two types of ongoing fees:

Ongoing Advice Fee: Includes the review of your financial goals, objectives, implemented financial plan and changes to your financial strategy as required.

Portfolio Management Fee: Includes preparation and review of recommended asset allocation, purchase of assets, purchase of Term Deposits, maintenance of Cash Management Account, investment or payment of investment income, investment strategy and changes to your portfolio as required.

Insurance Commissions

We receive ongoing commission payments on risk insurance policies implemented. These commissions are paid to us by the company that issues the product that we recommend to you, and they are included in what you pay for the product. They are not an additional cost to you.

The commissions vary and are based on the policy cost, which is the sum of the premiums you pay and may include other fees related to the product.

If the initial commission is equal to the ongoing commissions (as a percentage of your policy cost), we may receive up to 60% (excl. GST) of your annual policy cost. If the initial commission is higher than the ongoing commissions, the maximum commission that we may receive is set out in the following table:

Date a new product is issued	Initial commission*	Ongoing commission**
Prior to 1 January 2020	0 - 140%	0 - 38.5%
From 1 January 2020	0 - 60%	0 - 20%

* (% of annual policy cost or increase excl. GST)

**pa (% of annual policy cost or increase excl. GST)

Example

We recommend an insurance product to you, and it is issued in January 2024. The annual policy cost is \$3,000. Should the policy cost remain unchanged, we may receive up to \$1,800 (60% excl. GST) as an initial commission, and \$600 (20% excl. GST) as ongoing commission each year thereafter. These commissions are then on paid to us.

You'll find details of how your insurance policy cost is calculated in the relevant PDS that we provide you. Where personal advice is provided to you, you'll also find details of the commission that we are entitled to receive, if you decide to purchase a life insurance product, in your SOA or ROA.
